1 of 1 review helpful It was missing about a good sixty something pages but the pages weren t ripped out By Kate

Flores The book was exactly how they described but unfortunately there was more to it It was missing about a good sixty something pages but the pages weren't ripped out or anything just missing I don't blame them and really don't think they would have known unless they were looking up something within this A market leader for more than 30 years Barnes's Introduction to Literature continues to uphold the traditions that have made it a success — a rich blend of both classic and contemporary selections as well as Barnes's signature "how to read" instruction on the elements of literature and the writing process The new edition features a wealth of contemporary stories and a new chapter on graphic novels
