In Short: A Collection of Brief Creative Nonfiction:

0 of 0 review helpful Keep it Simple By GMB This is a collection of essays many of which remain super short It reminds any hard working reader or writer to keep it simple stupid The less one says through words the more one can explore meaning and cut the fat from repetition and excess explanation 0 of 0 review helpful My CNF students have loved this book By Mel Welcome to the first anthology to identify and celebrate a new nonfiction form the Short Something is going on out there Almost simultaneously many of our finest writers are experimenting with a new nonfiction form brief pieces that are literary and personal rather than informational complete in themselves and short very short Although the form has not had a name until now the writers who are attracted to it include the known From Publishers Weekly Even readers skeptical of short attention span publishing will find these short short fewer than 2000 words essays addictive They re like a plate of Cheese Doodles at a party not every one is crisp and perfect but many are and so the
