By Walker Percy : Lost in the Cosmos: The Last Self-Help Book millions of people are discovering that they have a higher self an omniscient source of intelligence guiding their lives with meticulous care and wisdom with cosmos carl sagan and his wife and co writer ann druyan brilliantly illustrated the underlying science of his same titled book

placing the human Lost in the Cosmos: The Last Self-Help Book:

2 of 2 review helpful Deep and very thought provoking By Vinnie Walker Percy draws you in with his deep searching questions that should resonate with anyone wrestling with existential questions like who am I and why am I here I would say more than providing answers he challenges you to reexamine all assumptions about yourself 3 of 3 review helpful A great Catholic Author By Walker Percy s mordantly funny and wholly original contribution to the self help book craze deals with the Western mind s tendency toward heavy abstraction This favorite of Percy fans continues to charm and beguile readers of all tastes and backgrounds Lost in the Cosmos invites us to think about how we communicate with our world com The late Walker Percy s mordant contribution to the self help book craze of the 1980s deals with the heavy abstraction of the Western mind and speculates about why writers may be the most abstracted and least grounded of all Before taking up novel writi
