By Oliver Sacks : Gratitude nov 21 2011nbsp;a new series of experiments and studies shows for the first time that the feeling of gratitude is linked to lower rates of aggression jul 11 2013nbsp;what makes you happy have you ever wondered why join us as we take an experimental approach on what makes people happier behind the scenes of the Gratitude:

“My predominant feeling is one of gratitude I have loved and been loved I have been given much and I have given something in return Above all I have been a sentient being a thinking animal on this beautiful planet and that in itself has been an enormous privilege and adventure” — Oliver Sacks
No writer has succeeded in capturing the medical and human drama of illness as honestly and as eloquently as Oliver Sacks
