Moon Lore:

3 of 3 review helpful Light hearted and quirky By 5 0 lquo Moon Lore rdquo by Timothy Harley This is a light hearted survey of lore jest mythology conjecture flights of fancy and cultural misinformation in general about the moon from around the world and through the ages Harley is a sly and witty punster whose glib comments and fractured tongue in cheek writing style should entertain and amuse most an This is a pre 1923 historical reproduction that was curated for quality Quality assurance was conducted on each of these books in an attempt to remove books with imperfections introduced by the digitization process Though we have made best efforts the books may have occasional errors that do not impede the reading experience We believe this work is culturally important and have elected to bring the book back into print as part of our continuing commitment to the pre About the Author Reverent Timothy Harley was a fellow of the Royal Astronomical Society in the United Kingdom
