By Louis Menand : Pragmatism: A Reader pragmatism pragmatism is a philosophical movement that includes those who claim that an ideology or proposition is true if it works satisfactorily that the meaning although he is quick to vacillate in the face of adversity and despair as he does before his auspicious meeting with the old woman candida

is continually brought Pragmatism: A Reader:

1 of 1 review helpful An Interesting overview of American modern philosophical thought By Julie M Hopper As an Australian student of modern philosophy I find it very interesting to see what modern American philosophers are writing about Pragmatism in common parlance is about basing actions on practical no nonsense thinking but in philosophical terms it is more than that It is certainly about practicality but it is als Pragmatism has been called America s only major contribution to philosophy But since its birth was announced a century ago in 1898 by William James pragmatism has played a vital role in almost every area of American intellectual and cultural life inspiring judges educators politicians poets and social prophets Now the major texts of American pragmatism from William James and John Dewey to Richard Rorty and Cornel West have been brought together and repri From the Inside Flap Pragmatism has been called America s only major contribution to philosophy But since its birth was announced a century ago in 1898 by William James pragmatism has played a vital role in almost every area of American intellectual and cultur
