By E B. White : One Man's Meat in 1958 thousands of chinese citizens were sent to brutal labor camps where life was hell and leaving was impossible but that didnt stop one man from trying im honored that this often shows up on the internet heres the correct version as published in omni 1990 theyre made out of meat quot;theyre made out of meatquot; One Man's Meat:

2 of 2 review helpful Brilliant By L M Young After reading THE ESSAYS OF E B WHITE I had to purchase this other collection of White s essays written between 1938 and 1943 after White and his family pulled up stakes from New York apartment life to a saltwater farm in Maine and first published in 1942 with ten fewer essays starting with White talking about packing up his New York life If you think there is culture choc In print for fifty five years One Man s Meat continues to delight readers with E B White s witty succinct observations on daily life at a Maine saltwater farm Too personal for an almanac too sophisticated for a domestic history and too funny and self doubting for a literary journal One Man s Meat can best be described as a primer of a countryman s lessons a timeless recounting of experience that will never go out of style Idquo Modest in its size and presumptions engaging in tone resisted becoming historic nonstop run of 55 years in print rdquo New York Times Book From the Publisher First published in 1944
