0 of 0 review helpful Six Lectures George Clausen Kessinger Publishing By Anwar I received this book nice and quickly When I received it I thought well the book cover is poorly done Certainly not what a lecturer of painting at the Royal Academy in 1904 would prescribe for his book It is a glossy yellow cover with an island of white in which the title is floated and a little clip art rose added O K so I don t ge This Is A New Release Of The Original 1906 Edition
