real life The Writing Life: Writers On How They Think And Work:

5 of 5 review helpful Get the Story Behind the Writer By Lisa Pozzi This is an excellent compilation of writers and a bit of their story I know that other reviewer s recommended this book for writers but I do not consider myself a writer in professional terms and I still found it facinating Arana provides a backhistory of each writer introducing them and then each author tells some aspect of how they handle t Featuring a gathering of more than fifty of contemporary literature s finest voices this volume will enchant move and inspire readers with its tales of The Writing Life In it authors divulge professional secrets how they first discovered they were writers how they work how they deal with the myriad frustrations and delights a writer s life affords Culled from ten years of the distinguished Washington Post column of the same name The Writin From Publishers Weekly Arana instituted the Writing Life column at the Washington Post Book World in 1993 shortly after assuming the editorial reins and she collates here articles from several top names she s enlisted as contributors over the past decade Her
