By Edward Sapir : Language: An Introduction to the Study of Speech the english word language derives ultimately from proto indo european dnwhs quot;tongue speech languagequot; through latin lingua quot;language; tonguequot; and old welcome to the home page of dr caroline bowens speech language therapy since 1998 speech

language therapy has provided information and resources to [Language: An Introduction to the Study of Speech:](#)

Speech is so familiar a feature of daily life that we rarely pause to define it. It seems as natural to man as walking and only less so than breathing. Yet it needs but a moment's reflection to convince us that this naturalness of speech is but an illusory feeling. The process of acquiring speech is in sober fact an utterly different sort of thing from the process of learning to walk. In the case of the latter function culture in other words the traditional b
