3 of 3 review helpful Best Christmas gift ever By MendelMom This was a Christmas gift for a friend who is a serious collector of model trains and loves all things train I was trying to find him an inexpensive gift that wouldn t actually be a model train and came across this book He was ecstatic He said he loves reading that magazine and to have that many

stories from 75 years of the magazine was amazing It s so nic Great American Railroad Stories gives readers a look at railroading history as presented by the writers of Trains magazine over 75 years It includes rare first hand accounts that give historical insight into riding passenger trains working on the railroad and growing up in the era of steam trains This book also focuses on the finest writing and includes historical photos It features the writings and reflections of founding editor Al Kalmbach Dav
